AXA Achievementsm Scholarship, in association with U.S News & World Report

THE PROGRAM

The AXA Achievementsm Scholarship offers college scholarships of \$10,000 and \$25,000 to high school seniors who have demonstrated outstanding achievement in their activities in school, the community or the workplace. The scholarships are sponsored by the AXA Foundation, in association with U.S. News & World Report.

Applicants must:

- be United States citizens or legal residents,
- be current high school seniors who plan to enroll full-time in an accredited two-year or four-year college or university in the United States by fall 2007,
- demonstrate ambition and self-drive as evidenced by outstanding achievement in an activity in school, the community or the workplace, and
- be recommended by an unrelated adult who can attest to the student's achievement.

AWARDS

Fifty-two students, to be known as AXA Achievers, will be selected to receive \$10,000 scholarships, one from each state, the District of Columbia and Puerto Rico.

From among the state recipients, 10 students will be named national AXA Achievers. They will be selected to receive additional national awards at \$15,000 each for a total of \$25,000 per national recipient.

AXA Achievementsm Scholarships must be used for education-related expenses for undergraduate study only. Awards are not renewable; however, recipients may arrange to receive payment in installments over multiple years as long as the student continues to enroll in an undergraduate course of study.

Eligible students are encouraged to apply for all AXA-sponsored scholarships, but a student may receive only one AXA-sponsored scholarship. *For more information about all AXA Achievementsm scholarships, visit www.axa-achievement.com.*

CRITERIA

Applicants are asked to **describe in detail** an outstanding achievement they have accomplished in a non academic activity or project. The accomplishment may be a long-term achievement, an activity or a project that occurred in their school, in the community or in the workplace. Primary consideration will be given to the applicant's demonstrated achievement in a non-academic area as reported by the applicant and supported by the appraisal completed by an adult who is not related to the applicant.

Consideration will also be given to other extracurricular activities in school and community, work experience, and the applicant's academic record over the past four years.

Selection of recipients is made by the administrator of the program, Scholarship America, a national nonprofit student aid and educational support organization. The AXA Foundation may participate in the selection of recipients for the national awards. Selection will not discriminate on the basis of race, color, religion, age, gender, national origin or disability. Consideration will be given to select a diverse group of recipients.
